Don't be nervous, it's just a test. A test that will either bring about the salvation or the decimation of the human race. A test that you cannot fail.

Don't be nervous, it's just a test.

Chapter 7 by Herosavem'

Do you want to take this test? Doesn't matter, the choice isn't yours.

They force you to take it, and rather you like it or not it will change your life.

The future of the human race balances on a knife's edge. You are a gymnast, trying not to fall the wrong way. But which way is the wrong way? You can only guess...
